

Inspection Locations

The table below describes the tentative schedule plans of CCRL based on inspection requests as of 7/1/2010. Modification to this schedule may be necessary, if additional requests are received.

In addition to the areas mentioned in the table, the CCRL is also inspecting laboratories in the local area of Maryland, Northern Virginia, Delaware, Eastern West Virginia and Southern Pennsylvania on a continuous basis.

This table will be revised in January 2011.

State or Areas	Locations	Arrival
Arizona	All	July - September
Hawaii	All	November
California	Southern	August - November
California	Central	July - January
Maine	All	November
Nevada	All	July - August
Canada	Eastern	September - November
